

COPYRIGHT NOTICE

This work is an addition to **Conscience Works** in the division *Conscience Sensitive Moral Education* for which the Indiana University Conscience Project holds copyright. As with other offerings that appear in **Conscience Works**, this work is freely available for downloading and distribution with the understanding that it will not be altered and that appropriate attribution will be given to the author and **Conscience Works**. As this particular work is in dramatic form, an additional provision is made to allow free use including reasonable abridgement for performances, so long as these are not for profit. Substantive adaptations and/or performance intended for profit will require prior permission from the editor of **Conscience Works**.
